

SAFEGUARDING POLICY

Sport can and does have a very powerful and positive influence on people – especially young people. Not only can it provide opportunities for enjoyment and achievement; it can also develop valuable qualities such as self-esteem, leadership and teamwork. These positive effects can only take place if sport is in the right hands, namely in the hands of those who prioritise the welfare of all children and young people and vulnerable adults and adopt practices that support, protect and empower them.

CRISC has a duty of care, based in law and guidance, in order to safeguard all skaters from abuse. We believe that every person has the right to feel safe and be protected from any situation or practice that could result in him or her being physically or psychologically harmed. It is essential that the people we work with do not feel threatened or abused by anything we say or do, and this policy sets out the safeguards we have in place to protect them from abuse. It is also essential that they themselves are aware of the safeguards we have in place and to know where to go should they have concerns of this nature. Every person involved in ice skating has therefore a legal and moral responsibility to protect children and young people from abuse.

CRISC is committed to safeguarding the well-being of the children and young people, vulnerable adults, parents, carers, coaches, staff and volunteers who are involved in the organisation. We recognise that children and young people have rights as individuals and should be valued, listened to and treated with respect. All children and vulnerable young people are at risk of abuse and we therefore aim to achieve excellent standards of safeguarding in all areas.

CRISC will:

- accept the moral and legal responsibility to implement procedures to provide a duty of care for young people and vulnerable adults, safeguard their wellbeing and protect them from harm;
- respect and promote the rights, wishes and feelings of young people and vulnerable adults
- recognise that some young people and vulnerable adults face additional barriers to getting help because of increased vulnerabilities which could include their ethnicity, gender, age, religion, disability, sexual orientation, social background or culture
- ensure they adopt best practice to safeguard and protect young people and vulnerable adults from abuse and to reduce the likelihood of allegations being made against themselves

- ensure that members are collected from any club sanctioned events by a responsible adult i.e. parent/guardian or other adult nominated by a parent/guardian
- the following rules apply based on a members age when signing out:
 - 16 or over – can sign themselves out
 - 14 – 15 – can sign themselves out with prior written agreement by a parent/guardian
 - 14 and under – must be physically collected by a parent/guardian or nominated adult
- accept and abide by the CRISC Safeguarding Policy and Procedures and British Ice Skating's Code of Ethics and Conduct as well as all other policies, procedures and guidance respond appropriately to any complaints about poor practice or allegations of abuse.

We are committed to selecting volunteers safely, ensuring all the necessary checks are made. We recognise and promote that all committee members and voluntary positions have a duty to prevent the abuse of children and vulnerable adults and report any safeguarding concerns to the relevant person. The Club will share concerns with agencies that need to know, involving parents, carers / enablers, children and vulnerable adults appropriately. This document sets out the policy, case management processes and reporting procedures for all volunteers when engaged in skating activities with children and young people. Any complaint about the way that CRISC has handled a particular safeguarding concern will be logged through our Complaints Policy and addressed by the relevant team.

CRISC acknowledges the duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with best practice and British Ice-Skating requirements.

The policy recognises that the welfare and interests of children are paramount in all circumstances. It aims to ensure that regardless of age, gender, religion or beliefs, ethnicity, disability, sexual orientation or socio-economic background, all children; As part of our safeguarding policy we will:

Safeguarding Roles & Responsibilities of the Club

Club Welfare Officer (CWO)

The Club Welfare Officer is the person appointed at club level and provides the essential point of contact for welfare within the Club. The CWO is the person who has responsibility for receiving and acting upon concerns reported to them within the Club setting. The Club Welfare Officer should be selected for their skills and knowledge, such as being able to handle safeguarding matters in an appropriate and confidential manner. They should be approachable for any concerns regarding safeguarding and be appropriately supported by other members of the Club. The CWO will report concerns to the British Ice Skating SLO and offer advise at a club level where safeguarding concerns have arisen. Along with the Club Committee and rink management, the Club Welfare Officer should ensure that the Club is adopting and implementing the safeguarding policy.

We will always ensure we have at least 2 Club Welfare Officers in place at anyone time.

British Ice Skating Safeguarding Lead Officer (SLO)

Every sports organisation should designate a person to promote the welfare of children and vulnerable adults within the sport. The role includes liaising with the DBS recruitment process, co-ordinating the dissemination of relevant safeguarding policies, procedures and resources as well as supporting Club Welfare Officers in their roles. arise. This includes being the central point of contact for enquiries such as from complainants, the LADO, Children's Social Care and/or the Police. The SLO is the British Ice Skating national lead for receiving and acting upon concerns of a safeguarding nature. This person will receive concerns about:

- unacceptable behaviour of a member of staff or volunteer towards a child

- unacceptable behaviour towards a child by someone within a club setting
- concerns of a serious or significant nature
- any concerns arising outside of a club situation, such as privately owned and run Ice rinks
